## GADEN JANGTSE TSAWA KHANGTSEN

Name: Tenzin Samphel.  
Date of Birth: 23<sup>rd</sup> July 2006.

### A Brief Life Story of the Child:

Tenzin Samphel was born in a poor family on 23<sup>rd</sup> July 2006. His father's name is Sonam Dakpa and mother's name is Dolma Sangmo. They are poor farmers and the income what they earn from the land they cultivate could only bring a day's meal for them.

His parents have three children and Samphel is the youngest one. His brother and sister go to a village school there. But they don't get good education like other school children as the school there is very poor.

Samphel's parents sent him to the monastery, with one the Geshes who visited their village, with the hope that he would receive some better education at the monastery. So Samphel became monk on 31<sup>st</sup> March 2011. Here in the monastery he goes to monastic school, where he learns basic on Buddhist Philosophy and Dialectics. Beside these, he also learns English, Mathematics, Tibetan History and Tibetan Grammar. He is very intelligent and learns very quickly.

His parents are too poor to reach their help to him. Even they are too far to reach their love to him.

We thank you Jackie for sponsoring this little monk. He will be in better position to do his studies. We are always very much grateful to you.

Thanking You.
